bee happy

by Kate McFarlane

Take a walk through a meadow on a breezy summer day. Slow down for a moment to watch the **bees buzzing** from flower to flower.

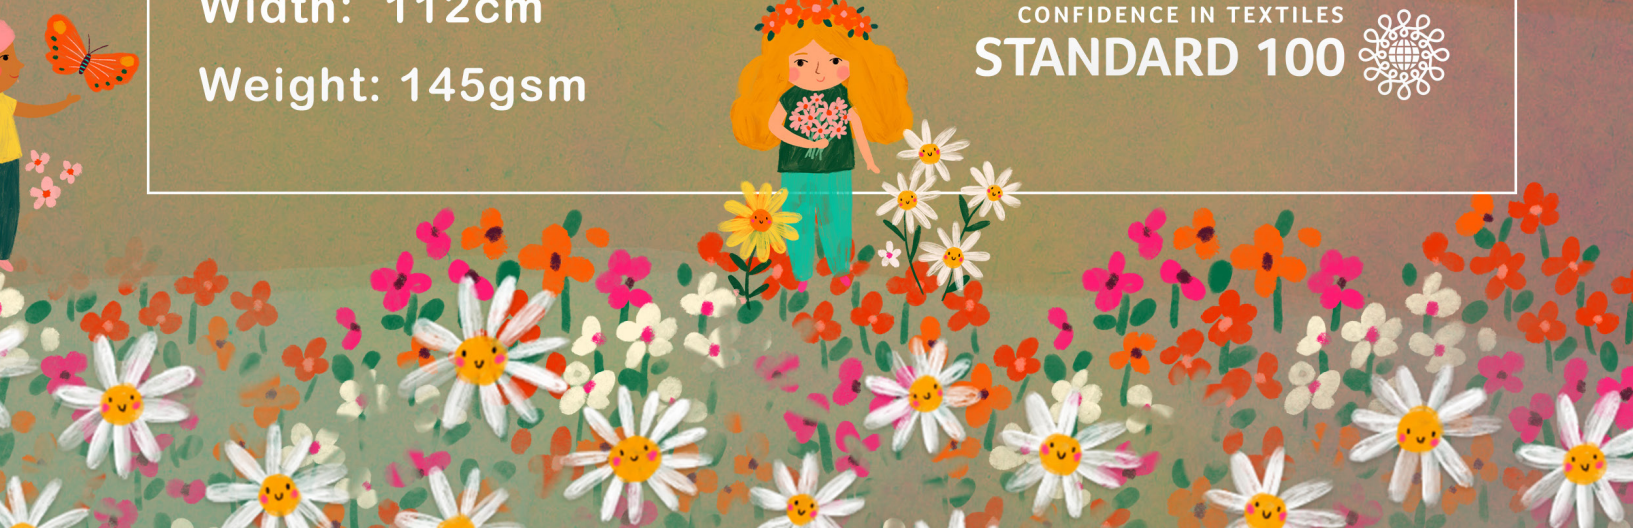

Listen to the **beautiful birds** singing their sweet song. Enjoy an ice cream with friends. Make time to notice the little things and **bee happy!**

Composition: 100% Cotton

Width: 112cm

Weight: 145gsm

Meet the designer...

kate mcfarlane

Kate is a surface pattern designer and illustrator. She uses bold and **bright colours** to create a fun and whimsical world of **smiling flowers**, **buzzing bees**, and **beautiful birds**. Kate's work is full of joy and charm, and is lovingly created with the aim of raising a smile.

Kate lives in Nottingham with her family and their tabby cat, Vincent. When she's not drawing or making patterns she loves baking cakes with her kids, yoga, and walks in nature!
