Cherish the past with NOSTALGIA

..inspired by fond memories of childhood.

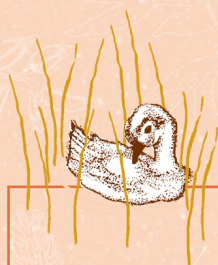

Time spent decorating dolls houses-creating pictures for the walls of each room.

Dancing every day in your favourite pair of red shoes.

Memories of grandmother's lace table covers and crochet placemats, all beautifully stitched.

Bedtime stories of the Ugly Duckling. Vintage floral wallpapers and handwritten letters from my grandmother. All amazing treasures that have a special place in my heart.

My dear to know the loss of one
who did his best to live
Beloved to earth, heaven, and
Remembered in the past
For again the life is dead
When the day of life is fled
There is heaven, but life beyond
I hope you will be happy
in the life to come
I hope you will be happy
in the life to come
I hope you will be happy
in the life to come
