QUILTING COTTON 145GSM. 112CM WIDE

ROAR BRINGS TO LIFE A LONG LOST WORLD OF ERUPTING VOLCANOS, LUSH FOLIAGE AND GIANT CREATURES THAT ONCE ROAMED THE JURASSIC LANDSCAPE.

SWOOPING PTERODACTYLS, STEGOSAURUS AND TRICERATOPS FEATURE IN BETHANS STYLISH NEW COLLECTION WHICH WILL DELIGHT BOTH ADULTS AND CHILDREN ALIKE.

ROAR2002

ROAR2005

A teal-colored book cover featuring a repeating pattern of stylized flying birds in various colors (yellow, light blue, white) with floral and leaf motifs on their wings. The birds are depicted in flight against a solid teal background.

ROAR2004

A dark-colored book cover with a complex, dense pattern. It features a central illustration of a blue dinosaur, surrounded by various types of foliage, leaves, and smaller animals like a sloth and a bear. The colors are vibrant, including teal, orange, and white against a dark background.
