SAFA2159

SAF

A dark navy blue fabric featuring a repeating pattern of orange and black striped tigers in various poses, surrounded by small green plants. A large green leaf is visible in the top left corner.

A2157

A vibrant red fabric with a repeating pattern of light blue elephants of various sizes, some standing and some wading in small pools of water, interspersed with green grass tufts. Large green leaves are visible in the top right corner.

SAFA2158

A mustard yellow fabric with a repeating pattern of black and white striped zebras in various poses, with small green grass tufts scattered throughout. A large green leaf is visible in the bottom left corner.

A2160

A dark teal fabric featuring a repeating pattern of light blue hippos, white storks, and palm trees. The hippos are shown both on land and in water. Large green and red leaves are visible in the bottom right corner.
