STRAW TEA

inspired by a scrumptious afternoon t

BERRY

by © *bee brown*

tea in a beautiful, countryside garden

MAKES BY @KATIEALICEHOBBS

Composition: 100% Cotton

Width: 112cm

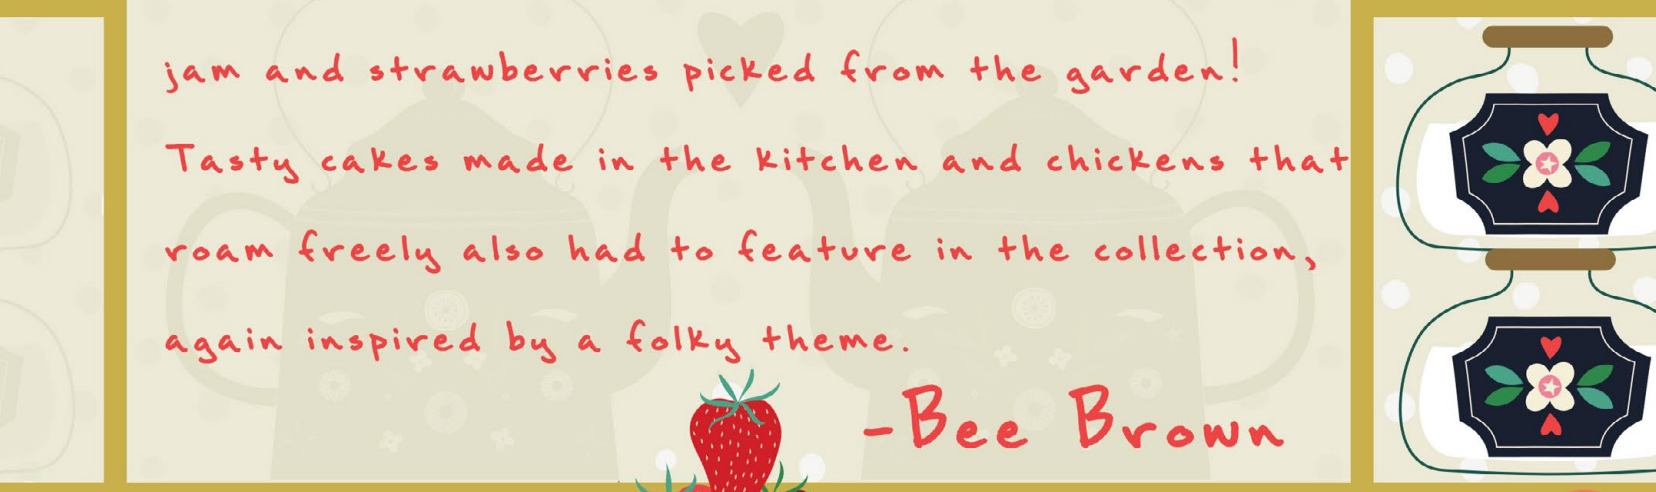

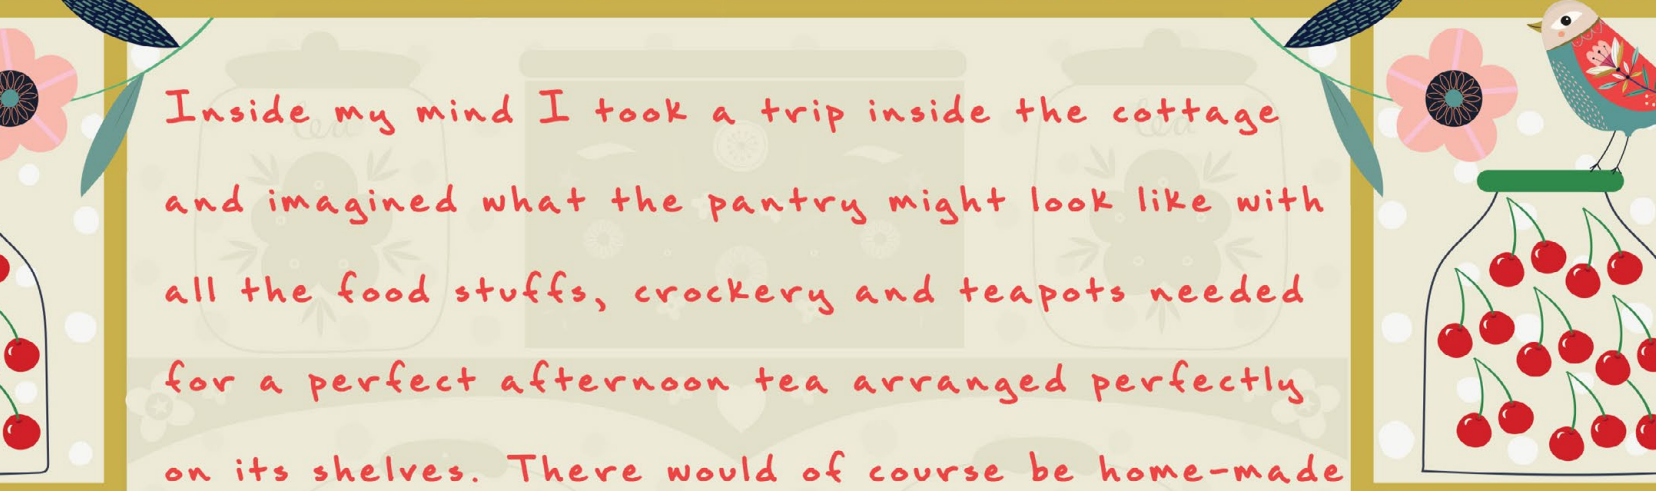

Weight: 145gsm

OEKO-TEX®
CONFIDENCE IN TEXTILES
STANDARD 100 

Inside my mind I took a trip inside the cottage and imagined what the pantry might look like with all the food stuffs, crockery and teapots needed for a perfect afternoon tea arranged perfectly on its shelves. There would of course be home-made jam and strawberries picked from the garden! Tasty cakes made in the kitchen and chickens that roam freely also had to feature in the collection, again inspired by a folky theme.
